Small Mug Large Iced Coffee Back of the Kid's Page

About our Kid's Page:

We understand how difficult it is to find healthy food options for kids on-the-go (we have young children ourselves), so we created well balanced, thoughtful choices that your child will enjoy eating. We strongly believe in whole foods and a well balanced diet for our active, imaginative children and each menu item on the "Kid's Page" has been tested and approved with two-thumbs up! Enjoy!

All of our "for here" kids plates, bowls and cutlery are all BPA free. All of our "to-go" bowls, cups, napkins, forks and spoons are all 100% biodegradable and compostable

About our Kid's Page Ingredients:

Organic Granola:

Homemade in California, our organic granola for the "Silly Sashi Cereal" is made with a protein rich blend of organic oats, quinoa flakes, nuts and seeds. Lightly sweetened with wild honey, our granola is a healthy, tasty treat for kids and adults alike.

Organic Brown Rice:

Whole grains are an important part of any diet and have often been labeled the healthiest grains that anybody can eat. Organic brown rice is dense in natural nutrition and fiber and is the perfect food to fuel babies, toddlers and kids!

Organic Red and Black Beans:

Among all groups of food commonly eaten worldwide, no group has a more health-supportive mix of protein-plus-fiber than legumes. From a single, one-cup serving of black beans you get nearly 15 grams of fiber and 15 grams of protein (nearly one third of the Daily Value and equivalent to the amount in 2 ounces of a meat). You won't find this outstanding protein-fiber combination in fruit, vegetables, grains, meats, dairy products, nuts and seeds, or seafood.

Organic Homemade Almond Milk (Raw):

We make our organic almond milk daily. We use the very best almonds—100% raw and organic almonds—for our almond milk used in our kids shakes and smoothies. Almonds are an excellent source of "good fats" (those that lower cholesterol and reduce the risk of heart disease), potassium, magnesium and of course, protein! Our almond milk is amazing on it's own or in any of our delicious blended treats!
